PRICE FIVE CENTS

U.S. Taking Up Option On Lee-Meadell Inn

Tenants at the Lee-Meadell Inn and its surrounding trailer court have been notified by the owner, Leroy Weyant, R. 2, that they must vacate the premises by November 1. The Gettysburg Times learned today.

Mr. Weyant told the tenants that the United States Government is going to buy the property but he declined to give any details of the transaction for publication, pending its completion. He said any announcement of terms of the purchase will have to come from the National Park Service.

Gettysburg National Park Superintendent James Myers said no announcement of the price or terms will be made until about November 1. He did confirm the fact, however, that the U. S. Government has taken up a 12-month option it secured on August 4, 1958, on the Weyant property. The option was exercised "a few days before it expired," the park superintendent said.

Using Last Year's Funds
He said the price could not be announced until the transfer has been completed. There was no indication of how much land is involved in the purchase.

Superintendent Myers made it clear, however, that since the option was taken last year, the purchase would be handled with funds available at that time and not from funds recently approved by Congress for the acquisition of land here and at other Civil War battlefields.

The Lee-Meadell tenants received their notices last week.

The Weyant property occupies land between the Emmitsburg Rd. and West Confederate Ave. considered important to the development of the National Park.

HIT-RUN CASE ON TRIAL HERE

The August term of court opened this morning with trial of Regina A. Ketterman, Fairfield R. 1, on a charge of failing to stop and reveal identity at the scene of an accident.

Witnesses this morning included Ronald Harbaugh, Fairfield R. 1; Richard Reese and Charles Sites, both of Iron Springs, passengers in a car driven by Harbaugh; Jean Seymour, night supervisor of nurses at the Warner Hospital, and State Policeman Elmer Soprano.

The first three testified to riding in Harbaugh's car when it was struck by another auto on the Iron Springs Road July 23, 1959. The other car continued. The supervisor of nurses told of Mrs. Ketterman's being treated for a broken arm at the hospital on that date. She said another woman with Mrs. Ketterman said Mrs. Ketterman broke her arm when her heel caught and she fell in the parking lot at the Avenue Diner. Mrs. Ketterman did not deny the story, but indicated that was the truth, the nurse said. Officer Soprano told of finding a mirror near the scene of the accident. Mrs. Ketterman is accused of having operated the car which struck Harbaugh's, receiving the broken arm during the impact, and then to have continued on without stopping at the scene.

The jury hearing the case included Edgar McDonnell, Gettysburg R. 2; Robert Weaver, Gettysburg; Mrs. Bess Markley, Gettysburg; Oliver Erb, Germany Twp.; Clarence Keckler, Cumberland Twp.; Horace Waybright, Freedom Twp.; Mrs. Harold Dunkelberger, Gettysburg; Oscar C. Rice Jr., Biglerville; Mae Newman, Mt. Pleasant Twp.; John Hull, Union Twp.; John McBeth, Menallen Twp., and Corvan Bryan, Franklin Twp.

BULLETINS

FORT MADISON, Iowa (AP)—Authorities on both sides of the Mississippi River sought today the last of six Iowa convicts who saved their way out of the state penitentiary Sunday.

It was the second such escape from the century-old gray walled institution in three months. Four long-term prisoners sawed through outside window bars after overpowering guards last June. They were recaptured next day.

One of Sunday's escapees, Charles Robert Wallerick, 25, was captured today by Illinois State Police in Dalas City, Ill., across the river from Iowa.

CAPE CANAVERAL, Fla. (AP)—A fiery Atlas surged aloft today in another shot aimed at making this giant rocket ready for military use by next month.

The launching appeared smooth as the 85-foot missile lifted off the start of a 5,500-mile test flight down the Atlantic missile range.

WEST YELLOWSTONE, Mont. (AP)—More earth tremors were felt Sunday night and today in West Yellowstone, but none as sharp as one Saturday night which touched off a rock slide.

President Ends Work-Rest Vacation During Which He Did Nation's Business Here

President Eisenhower completed a 13-day work-rest vacation at his farm in his Hotel Gettysburg office at 2:30 o'clock Sunday afternoon when he and Mrs. Eisenhower left their farm to drive to The White House.

The President worked his last hour and forty minutes in the "temporary White House" in his second floor offices in the Hotel Gettysburg Saturday from 11:10 a.m. until 12:50 p.m.

When he arrived at the hotel only a scattering of admirers were in Lincoln Square. He was met by Henry M. Scharf, president and manager of the hotel, and escorted to his offices. Then the crowd started gathering. Tourists, Gettysburgians and Adams Countians immediately noticed the tell-tale sign, two large black limousines parked parallel with the curb in front of the hotel. Behind them a Pennsylvania State Policeman's car, with the words "State Police" stenciled on the doors, backed into the curb behind the White House vehicles. An aisle from the curb to the front door of the hotel was roped off.

Crowd Increases

The crowd kept increasing by the minute, as did the group in the hotel lobby interspersed with White House correspondents and photographers. Those in the latter group had cameras, one and some three, strapped around their necks. They take scores of pictures most of which are not used, but they take them nevertheless just in case of an emergency, or the likelihood of an exceptionally "good shot."

Security men were posted at strategic positions in the lobby, at the entrance to the elevator, and in the corridor on the second floor. This is a natural procedure on all occasions. John Wheeler was manning the elevator. He had been assigned to that job with special instructions by Scharf.

At 12:48 p.m. Saturday word spread through the lobby that the President was ready to leave and soon the elevator door opened and the Chief Executive stepped out. He was accompanied by Press Secretary James C. Hagerty and Mr. Scharf.

Spontaneous Applause
The lobby audience broke into spontaneous applause and when Mr. Eisenhower stepped into Lincoln Square the crowd of nearly 500 gave him a good ovation. The President beamed happily and

stepped briskly to his waiting automobile. He spoke briefly with Mr. Scharf while several photographers took last minute "shots." Then he stepped into his car and was whisked away, completing his last visit to his hotel office, the first President of the United States to have conducted the nation's business from the historic hotel.

The first and only press conference ever held by a President of the United States was conducted by Mr. Eisenhower in the Hotel Gettysburg pressroom the morning of August 12. More than 75 correspondents attended.

The six-day history-making, work-rest stay provided a field day of attraction for visitors and town folks who took advantage of every opportunity to see their President. And the President, too, enjoyed his stay here. Mr. Hagerty told a reporter for The Gettysburg Times that the President enjoyed and liked his hotel office where he had an opportunity to do a lot of government work. He also managed to get in a few rounds of golf at the Gettysburg Country Club and to receive visitors at his farm and in his office. Major John Eisenhower, a White House staff aide, directed office operations for his father.

Gettysburg Dateline
Thus for 13 days world headlines were read under a GETTYSBURG, PA., dateline.

Today, President Eisenhower, chief executive of the greatest nation in the world and an Adams County "good neighbor," transacted government business from the White House in Washington.

The President hopes, if at all possible, to hold a press conference in Washington Tuesday morning. Hagerty told a press conference early Saturday afternoon. Wednesday morning he will fly to Europe going first to Bonn, Germany, then to London, Scotland and Paris. After that his itinerary has not been announced.

It has not been announced whether Mrs. Eisenhower will make the trip with her husband.

The President and George E. Allen played eight holes of golf early Sunday morning at the Gettysburg Country Club and then were rained out.

Then the President and Mrs. Eisenhower attended 11 o'clock services at the Presbyterian Church where Rev. Garnet Lee, pastor of the Capital Presbyterian Church (Negro), Harrisburg, officiated.

The bride, given in marriage by her father, was attired in a floor-length gown of Chantilly lace and nylon tulle, fashioned with a sweetheart neckline trimmed in iridescent sequins and a fitted bodice with short sleeves and matching mitts. The bouffant skirt of lace and tulle over tulle was worn over a hoop. Her fingertip veil of imported silk illusion fell from a tiara of beads and iridescent sequins. A single strand of pearls, a gift of the groom, was her only jewelry. A cascade arrangement of white asters, stephanotis and ivy streamers with a white orchid center made up her floral bouquet.

COURT HOUSE CENTENNIAL ATTRACTS 100

More than 100 visited the court house Saturday afternoon and evening as county officials marked the 100th anniversary of the erection of the present court house on Baltimore St. with an "open house."

The first court held in the new court house was the August term of 1859. Today the August term of 1959 begins there.

For the "open house" Saturday, Attorney S. M. Raffensperger and other members of the bar conducted visitors on tours of the building.

Clerk of Courts Kenneth W. Johns and Commissioners Clerk Crosby N. Hartzell provided signs for the court room showing the positions of the various officials.

Each of the signs bore the name of the official in 1859 and the official today. The judges were Robert J. Fisher, 1859; W. C. Sheely, 1959; associate judges, Isaac E. Wierman and David Ziegler in 1859; Clarence D. Deardorff and Earl W. Guise today; Clerk of Courts, Henry G. Wolf a century ago; Kenneth W. Johns today; Prothonotary, Jacob Bushey and Herbert W. Miller; Sheriff, Isaac Lightner and Dawson R. Miller.

Each of the offices had on display documents of the 1859 and earlier periods compared to dockets today. Clerk of Courts Johns had a chart showing the growth in court business. In the August term, 1959, there were seven cases and costs totaled \$173.33; the August term, 1958, had 90 cases and costs totaled \$4,258.55. The clerk's comparison showed 50 cases and costs totaling \$924.49 in 1859 and 264 cases with costs totaling \$13,219.76 in 1958.

In the commissioners' offices the deeds for the court house and the minute book of the commissioners in 1859 were among articles on display.

Members of the county historical society served punch in the historical society museum in the basement of the court house.

FOUR INJURED IN 6 WEEKEND ROAD MISHAPS

Damage totaled \$3,085 and four persons were injured when 12 automobiles, a tractor trailer and a motor scooter were involved in six accidents investigated by state police from the Gettysburg substation.

Most seriously hurt were two youths thrown from a Cushman motor scooter when the vehicle struck a dog one mile east of Idaville on the Torway Road Saturday afternoon at 3:30 o'clock.

State police said Ronald Lee Stoner, 16, Mt. Holly Springs, was driving the scooter with Barry Chestnut, 15, also of Mt. Holly Springs, as passenger on the rear seat when a dog ran into the road. The motor scooter and dog collided and the two youths were thrown from the vehicle. The dog apparently was uninjured. Damage to the scooter was estimated at \$25.

Removed to the Carlisle Hospital by a passing motorist, Stoner was found to have a laceration of the left ankle and abrasions of the stomach and both arms and legs. Chestnut suffered lacerations of the left foot and abrasions of both arms and legs.

3-Car Accident

Gerald L. St. Clair, 23, Tuckahoe R. 5, suffered a laceration of the left cheek when three cars collided four miles north of here on the Harrisburg Rd. at 8:40 o'clock Sunday morning.

State police said cattle owned by Robert Cleveland were crossing the road from the barn to a pasture. Paul A. Myers, 56, York, driving south, halted his car for the cattle. John H. Hann, 33, Gettysburg R. 2, stopped his car behind the Myers auto. St. Clair, also headed south, braked. His vehicle skidded, went off the east side of the road, struck a pole, glanced back onto the highway and struck the two halted cars. Damage was estimated at \$750 to the (Continued On Page 3)

NEW TRAFFIC PLAN HELPS ON BALTIMORE ST.

Gettysburg police Sunday afternoon tried operating three lanes of traffic simultaneously on Baltimore St. and reported the change helped ease the traffic jam in the borough caused by the normally heavy traffic on Sunday.

Chief of Police Jack Bartlett said the system "still has some bugs" — principally because motorists, used to two lane traffic, frequently failed to take advantage of the second southbound lane provided on Baltimore St.

However new more readable signs are expected to help that situation next Sunday, Chief Bartlett said.

All parking was banned from the west side of Baltimore St. Sunday afternoon from 1 to 8 o'clock to permit operation of two lanes of southbound traffic.

The two southbound lanes helped clear Lincoln Square of traffic more quickly and thus also helped keep traffic moving east and west, Bartlett reported.

To help with the problem posed by extensive traffic on the Taneytown Rd. to the National Cemetery Museum and Fantasyland an officer has been placed at the intersection of S. Washington St. and Steinwehr Ave., in addition to the officers at the square.

3 Youths Injured In Morning Crash

Three youths were injured this morning about 8:30 o'clock in a car-truck accident along the Littlestown-Taneytown Rd. All were treated at the Warner Hospital.

Included were Gary Reindollar, 18, Littlestown R. 1, driver of the car who was treated for multiple lacerations of the eyelids, nose, upper lip and left hand, and contusions of the chest; Rodney Rager, 17, Littlestown R. BUILD 5-MILE PIPELINE TO LITTLESTOWN

A new five-mile pipeline is being constructed between Hanover and Littlestown to assure Littlestown residents more dependable cold weather natural gas deliveries, the Manufacturers Light and Heat Company said today.

The new 6-inch supply line will cost over \$155,000 and completion is scheduled by the end of September, the announcement said. Fred R. Cuppett, Ellerslie, Md., Manufacturers' transmission official in this area, is supervising the project.

The new gas line replaces a section of pipe no longer capable of meeting the increased winter fuel requirements of Littlestown customers, area manager J. N. Estep of Gettysburg said.

Part of Feeder System

The five-mile stretch is part of the utility's existing feeder system running east and west a few miles above the Pennsylvania-Maryland state line.

Gas is moved from Manufacturers' main supply network near East Berlin south to the east-west feeder line. Fuel is then routed toward Hanover and Littlestown or east toward Shrewsbury.

Eventually, the new construction will be of benefit to Gettysburg customers, Estep said. The line will maintain sufficient gas in Littlestown to eliminate current operations of routing gas south to the community through a branch line connecting Gettysburg and Littlestown, he added.

The job is part of a multi-million dollar service improvement program Manufacturers will complete this year to provide facilities capable of meeting its customers' gas requirements the year 'round, Estep added.

ATTACK CASE IS REPORTED

State police today reported an attempted attack on a 19-year-old wife and mother near Bonneauville two weeks ago.

Police said Mrs. Sonia Marie Noel, 19, Hanover R. 4, had been cutting the lawn at the converted schoolhouse a mile east of Bonneauville on the Hanover Rd. where she, her husband, Robert J. Noel, and their infant son reside. Mr. Noel was at work.

About 10 o'clock on the morning of August 12, she completed the grass cutting and she and her small son went inside the house. She put the child on the floor and at that moment a man's hand grasped her about the mouth and pulled her up, while some blunt instrument struck her on the head. She bit, struggled, escaped from her assailant, ran out the door onto the highway.

Nisan N. Fravel, 54, Hanover, and his wife, Dorothy, driving by the Noel home at the time, saw the distraught young woman and halted. She explained what had happened and Fravel entered the house.

By that time whoever had grabbed Mrs. Noel and struck her had either left the premises or had hidden. Mr. Fravel brought out the child and took Mrs. Noel and the child to relatives in Bonneauville who in turn took her to a physician for treatment of a laceration of the scalp caused by the blow on the head. State police were notified.

Crash at Crossroads

A. R. Valentine, 43, Fanwood, N. J., suffered a bruised shoulder when three cars collided five miles north of here Saturday evening at 5:50 o'clock at the Schriver's Corner intersection of the Gettysburg-Harrisburg Rd with the Hunterstown Rd.

Police said Valentine was headed north when he halted to turn Watts, 23, Rutland, Vermont, driving an English car, halted behind Valentine. Kenneth R. Hess, 28, Seven Stars, according to police, came upon the halted autos, braked and skidded into Watts car, driving it into the Valentine vehicle. Damage was \$175 to Hess' auto, \$350 to Watts' car, and \$250 to Valentine's sedan.

Driver Is Fined

Damage totaled \$335 when three autos collided ten miles west of here on the Lincoln Highway at 4:50 o'clock Saturday afternoon. State police said Lawrence H. Keys, 49, Chambersburg R. 1, attempted to pass another east-bound vehicle operated by Floyd Little, 48, Barton, Fla. The Keys car struck the rear of Little's station wagon causing \$10 damage to its fender. Keys' car then glanced off, crossed the highway and was involved in an accident with a westbound auto sedan operated by Ronald Crissman, 19, Akron, Ohio. Damage was estimated at \$100 to Keys' car, \$225 to Crissman's sedan and \$10 to the station wagon. Damage was estimated at \$150 to the car, none to the truck.

Castro's Son Goes
To Pan - Am Games

CHICAGO (AP)—Fidel Castro Jr., 10-year-old son of the Cuban leader, arrived in Chicago Sunday night to attend the Pan-American games which will be run from Aug. 27 through Sept. 7.

Secret service men, Chicago police and State Department representatives met the youth when his plane from Havana landed at Midway Airport.

Authorities said elaborate security measures were being taken to prevent possible harm to Castro's only child.

TO COACH WARRIORS

PHILADELPHIA (AP)—Neil Johnston today was named coach of the Philadelphia Warriors of the National Basketball Assn.

Johnston, three-time NBA scoring champion, tentatively signed only to coach the club. Whether he will play, too, apparently depends on the condition of his left knee. He underwent surgery last season for removal of a ligament.

NEW YORK (AP)—The stock market edged irregularly lower in dull trading early this afternoon. Pivotal issues showed gains or losses of fractions to about a point.

Aircrafts took some fairly sharp losses, apparently affected by curtailment of defense contracts. Utilities showed a steady tone as some investors took refuge in more stable issues.

After a flurry at the start, trading slackened to a rate even slower than Friday's two million shares.

COUPLE WEDS

(Continued From Page 1)

The Misses Kay Delp, Idaville, and Arla Lehman, York Springs, attired in dresses identical to that were the bridesmaids. They were worn by the matron of honor, Miss Emma Lyn Stambaugh, Gardner's, sister of the bride, was the flower girl. She wore a white taffeta dress with a full skirt topped with scalloped overskirt. The fitted bodice had a pleated sash that formed a back bow. The scalloped overskirt and collar were accented with nectarine French knots. She carried a basket of assorted flowers.

Jerry Schultz, Carlisle, was the best man. The ushers were Richard Cook, Carlisle, brother of the groom, and Spencer Stambaugh, Gardner's, brother of the bride.

A reception followed the ceremony at the bride's home. For her traveling ensemble the bride chose a beige cotton dress with brown accessories. The couple left for a brief honeymoon in the Pocono Mountains. They will reside at Gardner's R. 1.

disorderly charge. He was to have been transferred to a mental institution.

Sixty-five prisoners were in the jail, which the sheriff said is supposed to house only 28.

Gerard Lau, 40, a shipfitter second class stationed with the Naval Air Reserve training unit at Freeport, N.Y., was seated on the front porch of his father's house across the street from the jail when the fire broke out.

Two Explosions

Lau raced for the jail when he heard the prisoners yelling. He ran to the second floor where three women prisoners were screaming, but was blown downstairs by an explosion. He crawled out critically burned.

Firemen who raced up the stairs were blown down by a second explosion. In the confusion keys to cell blocks were lost.

Undersheriff Robert J. Miller, 35, freed all the prisoners on the first floor. Firemen then managed to rescue four inmates on the second floor. The three women were among them.

Accused Murderer Burns

One of the dead was Richard Caviler, 22, of Toms River, who was being held without bail charged with the murder of his 22-month-old daughter, Deborah.

The fire burned for about an hour and a half in the building's interior which is largely steel and concrete. The jail was put up in the late 1800s and rebuilt in 1925.

ONE HUNDRED YEARS AGO

Gas: Our Hanover brethren are determined to keep ahead of us. The Spectator tells us, that the requisite number of shares for the Gas Light Company has been subscribed and the company organized. The machinery is to be manufactured in Baltimore at the works of the Maryland Gas Co. Operations will commence soon. This is a matter which Gettysburgians must have next attended to. We have an excellent Railroad and now we must have Gas and a Telegraph.

New Skyline Gallery: Our very clever young friends, Tyson & Brother, from Philadelphia, have fixed up a very handsome room as a Daguerrotype Gallery, in the late public offices on the Square and are prepared to execute their work in the finest style.

Lawyers Admitted: On Monday last August J. Cover, Wm. A. Duncan and K. Kerr McIlhenny (the former two on the motion of Mr. McCreary and the latter of Mr. Wells) were examined in open court as to their qualifications to practice law in our courts. The examination was highly creditable to the young men and we congratulate them on the "safe deliverance."

Pennsylvania College: The annual catalogue has just been published and presents a very handsome report. The Senior number 14, Juniors 22; Sophomores 26; Freshmen 29; partial course 7; Primaries 20; Junior Preparators 51. In all 169.

The Sabbath Schools of Christ Church and St. James are to have their picnics on Wednesday or Thursday of this week we learn. The former go to the banks of Conowingo, near Oxford; the latter we have not been informed where.

The Grand Jury report is not the usual "white-washing" order. They represent the jail to be unfit for the secure keeping of prisoners; say it would be a waste of money to repair it and recommended the building of a new jail. They complain of want of cleanliness in the court-house and rooms.

Today's Talk

GOOD DEED INVENTORS

Inventors are a blessing to the world. They are forever working to bring out something better — and that means progress. I am, however, going to talk about another kind of inventor — the inventor of good deeds! These kind of inventors live forever!

Most of us are acquainted with the person who is forever doing nice things to make someone else happy. There is no other invention that pays so much in satisfaction and personal happiness. What a thrill we get when we do a kind act expecting nothing in return but the golden satisfaction!

I like little surprises and I like to give as well as receive them. To be appreciated is something that thousands of human beings wish might be their lot. It's what keeps the fires of friendship burning. We should borrow from the Boy Scouts organization by doing at least one good deed a day.

Good deed inventors are forever thinking up a new way in which to bring good news to others. It is far more worthy to join the inventors of good deeds than to hope for money profit from mere things. The closer we get to people the nearer we get to God and to all His creations.

An inventor of good deeds may well take his place among the immortals. You see it takes purpose, a love for all mankind, and the urge to be helpful and to be set apart as a doer of good deeds, and the joy of it all in one's heart. Who wouldn't be happy to be such a fellow mortal?

Tomorrow Mr. Adams will talk on the subject: "Beauty."

Just Folks

WHEN A WIFE'S AWAY
My wife's away, so take a look
Behind the kitchen scenes;
For every meal at home I cook
A can of Boston beans.

Sardines for breakfast, what a meal!
For supper salmon serves;
Until today I really feel
It's getting on my nerves.

I've run the canned goods gamut
From salmon down to ham;
Would she return if she but knew
How sick of it I am?

But I must keep a cheerful face;
She needs a change of scenes;
I'll bear it with becoming grace
And try to live on beans.

But, oh, it's hard to bow my head
And speak a thankful prayer
To Him who sends us daily bread.
With only canned goods there!

The Athens (Georgia) Watchman

says that Jim Parr, of the 3rd Georgia Regiment found a lot of gold, silver, and bills on the Gettysburg bank in a bake oven near Gettysburg while the battle was impending, that he appropriated \$1,200, and subsequently went back to secure the balance, but some one else had found the money and made off with it. Mr. Samuel Pitzer, residing on the Pitzer farm, west of Seminary Ridge, died just before the battle having a large amount of money in the house. It was hidden in the bake-oven by his sons, and after the battle it was missing. It was supposed to be between \$5,000 and \$6,000.

Littlestown Has 14 Vets On Football Squad; Lack Of Depth Poses Problem

Littlestown's head football coach Wib Gobrecht has one major worry confronting him as far as his 1959 football squad is concerned and that is depth. Beyond the 14 lettermen who reported with the group of 45 candidates on the first day of practice, inexperience dominates.

The Bolts held double sessions during their first week of training and will continue until school begins. The squad works out from 8:30 to 10:30 a.m. and is back on the field at 2 p.m. until 4 o'clock. Lunch and "skull" sessions are held in the school cafeteria during the mid-day break.

The lettermen who reported are: Ends, Dave Crouse, Ed Knipple and Larry Unger; tackles, Gene Appier, Paul Altland and Harry Cool; guards, Bob Little and Bruce Stair; center, Fred Dutterer; backfield, Darryl Bollinger, Wayne Garrett, Earl Markle, Gary Worley and Bill Bower.

Little Leads Linemen
The foundation of the forward wall will be set by Bob "Butch" Little, 210-pound guard, who is playing his fourth year as a starter. Little is rated as one of the finest linemen in the conference. Gary Worley, 145 pounds, will quarterback the team. Gobrecht said, "Worley is a good thinker and fine ball handler." The Bolt quarterback worked on defense for the past three years and will be starting on the offense for the first time this season.

The nonlettermen who have been showing excellent promise are tackles Don Selby and Jim Rineaman, both boys tipping the scales at 200 pounds. Don Jones, a sophomore, is shaping into a fine end with Dave Slusser working well at guard and Larry Snyder at quarterback.

Gobrecht has taken on the responsibility of conditioning the line while his assistants, Jack Bream and Don Kump, are coaching the ends and backfield, respectively. Kump played under Gobrecht during the young coach's first year at Littlestown when he piloted the Bolts to their only undefeated year in the history of the school. Kump played tailback on the team. He graduated from Shippensburg State Teachers College last June. Gobrecht will carry a 33-player squad and will once again use the single-wing offense, one of the few schools in the state who still use that offense.

Gobrecht said, "We are thin on charge of the program for next Sunday at 9:30 a.m. Luther W. Ritter, of town, was guest teacher in the Sunday School of Christ United Church of Christ Sunday. Mr. Ritter is teacher of the Starr Bible Class of St. Paul's Lutheran Church. There was no worship service in Christ Church on Sunday. The regular services will be held next Sunday School at 9:15 and worship at 10:30 a.m. The choir will rehearse tomorrow evening at 8 o'clock.

WAYNE ROBERTSON

The Broadway comedy hit play "The King of Hearts" by Jean Kerr and Elinor Brooke which the N. Y. Post called "one of the funniest and wittiest plays of our times" opens tonight at the Totem Pole Playhouse at Caledonia.

The play concerns an ego-centric cartoonist on the verge of matrimony for the second time, who adopts a little boy in order to have first hand information about "little boys" as material for his comic strip. What he doesn't take into consideration is that the little fellow has ideas of his own. Add to this the cartoonist's ghost artist and his beautiful secretary fiancée, plus his harried publisher set against an ultra modern New York apartment background and an evening of laughs is assured.

Playing the cartoonist will be James Gibson, a newcomer to the Totem Pole stage.

Making his Totem Pole debut at the age of 12 years will be Wayne Robertson. He will go directly into the new Broadway musical "Saratoga" in the fall after his Totem Pole assignment. He will play the adopted boy with his own point of view.

class of 1955 and Shippensburg State Teachers College with the class of 1959. He holds a Bachelor of Science degree in Education. He has been elected to the teaching staff of Big Springs Jointure, Newville.

HILL AND CROW LEAD CARDS TO DROP STEELERS

By MIKE RATHET

Associated Press Sports Writer
With King Hill quarterbacking and Jack-of-all-trades John David Crow doing the leg work, the Chicago Cardinals figure to beat watching during the National Football League campaign.

Hill and Crow have had parallel careers. Hill, who did his college pitching for Rice, and Crow, who was Texas A&M's battering ram, both made the All-American team in 1957.

Both were top choices for the Cardinal rebuilding program. Both spent a good portion of their rookie season on the bench with injuries as the Cardinals tied for last place in the Eastern Division with a 2-9-1 record.

Lead Regimented Cards
Now the Texas tandem is leading the rejuvenated Cardinals, who have won all three of their exhibition games. Their latest triumph was a 21-10 victory over Pittsburgh Saturday in a nationally televised game.

Hill pitched touchdown passes of 60 and 30 yards to Crow against the Steelers and scored once himself on a 14-yard dash to account for all the Cardinal TDs.

In other games over the weekend, the Green Bay Packers defeated San Francisco 24-17; Chicago's Bears whipped Philadelphia 24-21, and Detroit edged Cleveland 9-3.

Stopped Steelers
Crow, who has turned into the workhorse of the Card backfield since the departure of Ollie Matson in a trade, now has scored four touchdowns in pre-season contest.

The Steelers—expected to be title contenders in the Eastern Conference—were unable to contend with the faking and signaling of Hill and had no one who could maneuver with Crow in the secondary. Pittsburgh scored its only touchdown in the third quarter, Tom Tracy going over from the 2 after a 70-yard aerial from Len Dawson to Jim Orr.

The Packers won their first game under new Coach Vince Lombardi with a 96-yard kickoff return by rookie George Dixon setting up the winning touchdown. Don McIlhenny banged over from the 2 for the clincher.

The Bears took their second in a row by three points as Willie Galtmore supplied the explosives with two touchdowns. Galtmore sped through the Eagle defense on an 85-yard kickoff return for one score and took a 34-yard kickoff return for one score and took a 34-yard pass from Zeke Bratkowski for the other. Norm Van Brocklin kept the Eagles close over the Browns—they've won 16 in 21 meetings—as John Henry Johnson bulldozed nine yards in the first period for the game's only touchdown.

ST. LOUIS (AP)—Mike Debaets, 16, and Bill Litzinger, 19, were reading a Montana newspaper, five days after both slept through the earthquake in Yellowstone National Park.

"What do you know," said Bill. "Two of the boys with the rodeo in Lewistown were killed in the earthquake."

Saw Their Names
Then they saw the names. "It's us," they exclaimed. The boys bolted for the nearest telephone and called their parents.

"I felt as if I had been born all over again," said Mike's mother. Alice Debaets of St. Louis.

"We died a thousand deaths," said Bill's father, Raymond W. Litzinger of suburban Sappington.

Were Presumed Dead
The boys entered a rodeo in Littleton, Colo., then headed for Lewistown, Mont. They decided to see Yellowstone, camped five miles from the worst quake area, and slept through it.

The next morning they went to Lewistown and took jobs on a remote ranch, 72 miles from the nearest telephone.

When they couldn't be found, they were presumed to be dead.

4 Pony League Clubs Battle In Tourney
WASHINGTON, Pa. (AP)—Undeclared Long Beach, Calif., and once beaten Monterey, Mexico, Greene County, Pa., and Camden, S.C., are the only teams left in the Pony League Baseball World Series which resumes here tonight.

Long Branch will meet Monterey and Greene County is pitted against Camden in the double elimination tourney.

The minstrel show, its format being Negro singing and jesting, was originated by a white man, Thomas D. Rice, in Louisville, Ky.

PEN-MAR B.B. LEAGUE

A special meeting of the Pen-Mar Baseball League will be held this evening at 8 o'clock at the Emmitsburg VFW Home to iron out the difficulties arising after rain washed out all games Sunday which were the final regularly scheduled contests.

Alton Waterfield, president of the league, said every effort will be made to get the Shaughnessy playoffs underway next Sunday. He said he was hopeful that agreement will be reached on ironing out games needed to settle positions for the top four teams who will take part in the playoffs.

SHAW STAVES OFF SOX FOES TO BUOY TEAM

CHICAGO (AP)—Bob Shaw, who gambled on a major league career by refusing to report to the minors, is one of the big reasons the Chicago White Sox are in first place in the American League.

Shaw, a 26-year-old right-hander, blanked the New York Yankees 5-0 Sunday to help the White Sox split a doubleheader and remain 1½ games ahead of onrushing Cleveland.

Without him, the Sox aren't sure where they would be.

Has Been Stopper
"He's been a lifesaver for us this year," said manager Al Lopez. "He is determined to win."

The Shaw story goes back to more than a year ago. He was with Detroit and the Tigers had him ticketed for Charleston in the American Assn.

Shaw refused to report. "I wasn't going to quit baseball," said Shaw, "but I knew there were several major league clubs who wanted me. I told the Tiger management if they didn't want me, then they could trade me."

Shaw was traded. He and Ray Boone came to the White Sox on June 15, 1958, for outfielder Tito Francona and pitcher Bill Fischer.

Shaw had a 5-4 record with the Sox last year and couldn't get going this spring.

Aches And Pains
"He had a sore shoulder and then a bad back," said Lopez. "Then when we came north I started using him in relief and he pitched good. When Barry Latman failed to get going, we pressed Shaw as a starter and haven't regretted it."

Shaw's triumph over New York was his 13th against 4 defeats.

Help From Wynn
"I believe in trying to better myself at all times," said Shaw, the son of a physical education instructor in the New York City area. "The harder you work the better you get; it's as easy as that."

Shaw rooms with Early Wynn, veteran ace of the White Sox staff who has taken an interest in Shaw. In fact, Shaw at times looks like Wynn when he's pitching.

"Wynn has taught me a lot," says Shaw. "So have others like Billy Pierce and Dick Donovan. But this coaching staff is the best and that's why I'm glad I'm with the Sox. Ray Berres (Sox pitching coach) and Lopez have been wonderful. They've taught me a lot."

NEW FOOTBALL LEAGUE BUCKS NFL - COLLEGES

By HAROLD V. RATLIFF

DALLAS (AP)—The American Football League flexed its muscles today and promised competition for the staid old National Football League with better salaries for both players and game officials.

Most everything is set for the first venture of the newly organized professional league in 1960. Naming of a commissioner and a decision on whether to expand to eight clubs will be handled at a meeting Sept. 12-13 in Los Angeles.

A committee of Lamar Hunt, the young Dallas oil man who founded the league when he couldn't obtain a franchise in the NFL, H. P. Skoglund of Minneapolis and Barron Hilton of Los Angeles was appointed here Sunday, at the windup of the circuit's second meeting, to select the commissioner.

Money Available
Dallas, New York, Houston, Minneapolis-St. Paul, Los Angeles and Denver make up the league and it was explained that all were backed by sufficient money to operate for several years without profit although some of the club owners said they didn't anticipate they would lose anything even at the start.

Big television contracts were considered in the offing end Harry Wismer, the noted broadcaster who is one of the New York owners, said games would be televised in New York on Saturday afternoons. This would conflict directly with the National Collegiate Athletic Assn. game of the week.

Hunt said the league planned to offer 10 per cent more minimum salary than the NFL; that it would also pay the officials more, and that players would receive more money for exhibition games.

Eight Teams Possible
Apparently the chances of the league expanding to eight clubs for its first season rest with Seattle. If that city can obtain the University of Washington Stadium it will get a franchise. Then another city would have to be taken in. There are plenty of applications—Buffalo, Miami, San Diego, Kansas City and Vancouver, Canada. The latter wasn't expected to be given much consideration however, because it is in Seattle's territory and besides Hunt said "We wouldn't want to hurt the Canadian League."

The method and date of the league's first draft also will be set at Los Angeles. The draft is to be in December.

DEMPESEY AND CHAMP MEET ON TITLE BOUT

GOTEBORG, Sweden (AP)—Jack Dempsey went into his second high level conference with world heavyweight champion Ingemar Johansson today with high hopes of settling the title muddle.

Although Dempsey would not admit it, a source close to the Pennsylvania State Athletic Commission told the Associated Press in Philadelphia that Rosensohn Enterprises, the promoters of the fight, had applied for a license there.

That confirmed the fact that the fight definitely would not be held in New York. Rosensohn Enterprises had its promoter's license suspended in New York because of a hassle with ex-president Bill Rosensohn. Dempsey joined forces with Rosensohn Enterprises to try to straighten matters out.

No September Bout
Even before his second round of negotiations with Johansson got under way, two points stood out: 1. The proposed Sept. 22 date for the return bout between Johansson and dethroned champion Floyd Patterson is out.

2. Dempsey and Rosensohn Enterprises, the promoters, are striving for a compromise agreement that will enable the bout to be held sometime this year.

Layne Arrested For Drunken Driving

AUSTIN, Tex. (AP)—Pro football veteran Bobby Layne, star quarterback of the Pittsburgh Steelers, was charged with drunken driving Sunday.

Police said Layne drove a car that struck a parked auto, then left the scene with three companions, and transferred to a taxi cab in downtown Austin.

After three hours in jail, Layne was released on \$300 bail.

A few hours before the incident, Layne had played a first half of a football game in which the Chicago Cardinals defeated the Steelers 21-10.

Layne was arrested in Detroit, Sept. 17, 1957, on a similar charge and acquitted the following Dec. 6. The Detroit Lions traded him to Pittsburgh last October.

Fairfield Little League

The Fairfield Little League All-Stars absorbed a 13-5 setback at the hands of the Blue Ridge Summit All-Stars Saturday afternoon at Fairfield. It was the second win for Blue Ridge who previously had triumphed on its home diamond.

Eight errors were charged to Fairfield which proved a big factor in the defeat. The Summiteers had but one miscue.

P. Martin, Fairfield center fielder, blasted a homerun with two mates aboard in the final inning when Fairfield scored four times. D. Schildt led the Blue Ridge attack with a pair of singles and a double.

WASHINGTON (AP)—Anne Quast and Joanne Gunderson, the state of Washington's golfing stars, were favorites in the field of 128 as the U.S. Women's amateur golf off this morning to a long opening day.

Miss Quast, 21, of Marysville is defending champion. Miss Gunderson, 20, from Kirkland, won the title in 1957.

CHISOX SLIP IN SPLIT WITH YANKS; TRIBE WINS 2 SUNDAY

By JOE REICHLER

Associated Press Sports Writer
Until this year trader Frank Lane always has boasted his best deals were those which brought pitcher Billy Pierce and quarterback Nellie Fox to the Chicago White Sox. The voluble Cleveland general manager is now ready to add a third.

On March 21 of this year, Lane traded veteran Larry Doby to Detroit for a utility outfielder who batted only .254 last year. His name? Tito Francona. It has turned out to be Lane's best trade as an Indian chief.

The 25-year-old Francona has been the Indians best hitter ever since he was placed in the regular lineup. He is the league's No. 1 hitter with a .379 batting average, 17 home runs and 64 runs batted in, but has not been at bat enough times to qualify for the top spot officially. Doby, incidentally is in the minor leagues.

Two On Sunday
Francona hit two home runs Sunday. His first came in the ninth inning of the opener, snapped a scoreless pitching duel between Cleveland's Jim Perry and Boston's Tom Brewer, and gave the Indians a 1-0 victory.

It was the third time this season Tito has hit a game-winning homer in the final inning. His second homer came in the first inning of the nightcap, also won by the Indians 6-2. The sweep advanced the Indians to within a game and a half of league-leading Chicago.

The White Sox lost a full game to Cleveland when they were held to a split in their twin bill with New York. The Yankees won the first game 7-1 but the Sox came back to take the nightcap 5-0.

Tigers Beat Orioles
Detroit trounced Baltimore 9-5 before rain washed out the second game of their scheduled twin bill. It was scheduled to be played today. Washington split with Kansas City, winning the first game 7-3 and losing the second 5-2.

A three-run homer by Minnie Minoos featured Cleveland's five-run blast in the fourth inning, snapping a 1-1 second-game tie. Jack Harshman, doing out only four hits in five relief innings, was credited with his second victory in a week. Young Perry allowed only three hits in posting his ninth victory in the opener.

The seventh was the vital inning in each game of the White Sox-Yankee doubleheader. In the first game, pinch-hitter Enos Slaughter singled in two runs with the bases full to snap a 1-1 tie and give Art Ditmar his ninth triumph and Early Wynn his eighth defeat.

Biggest Crowd
In the second game, Sherman Lollar clouted his 9th home run in the series to ignite a five-run rally against Ralph Terry. A crowd of 44,250, largest of the year at Comiskey Park, saw young Bob Shaw hurl a six-hitter for his 13th triumph and second shutout.

Eddie Yost hit a grand slam homer and Harvey Kuenn, the league's official leading hitter, had five for five to help Detroit's Frank Lary post his 16th triumph. Baltimore's Bob Nieman hit two home runs in a losing cause and had another wiped out when rain interfered after a half inning of the second game.

Kansas City scored all its five runs in the third inning of the second game to gain its split with Washington as Johnny Kucks turned in a four-hitter. Camillo Pascual won his 12th for the Senators in the opener. He was assisted by second baseman Ken Aspromonte who rapped two doubles and a single.

SOUTH PENN BASEBALL LOOP
Rain washed out the Muncasburg-Jefferson game scheduled to be played at Bonneauville Sunday afternoon to determine the second and third place teams in the league for the Shaughnessy playoffs.

Arrangements were made to stage the game at Bonneauville next Saturday afternoon at 2 o'clock.

The Shaughnessy playoffs are scheduled to open next Sunday when the third-place team will play at Arendtsville and Brush-town will play on the home field of the winner of Saturday's game.</

TITUSVILLE BUSY WITH CENTENNIAL CELEBRATION

TITUSVILLE, Pa. (AP) — Pennsylvania city of 9,000—cradle of the wealthy oil industry—jumped with excitement today as thousands of visitors arrived to celebrate oil's 100th birthday.

Just one century ago next Thursday, Col. Edwin L. Drake, after weeks of heckling by onlookers, completed drilling a 69-foot well and struck oil. It was the nation's first commercial drilling.

Col. Drake's well produced only about nine or 10 barrels of oil a day at the height of operation, but it marked the beginning of one of the world's richest industries. That's the reason for the celebration.

Week's Observance Opens
Oil Centennial Week officially opened here Sunday. Rough

guesses were that nearly 40,000 visitors were on hand to launch the festive week.

The community's 26 churches were jammed for Sunday morning services. A record throng visited Col. Drake Memorial Park, where the first well is marked, and many historic tools of the first drilling are preserved.

Young and old, rich and poor, are reliving the memorable days of Col. Drake in pageant and conversation. The celebration will go on all week with the climax scheduled for next Thursday.

To Drill New Hole
On Thursday, hard by the century-old Drake well, a new hole will be drilled. It may or may not produce oil. It really won't matter. The operation will be for the benefit of a nationwide television program (NBC, 6-8 EST).

Many a Titusville resident is optimistic that oil will result. Last week, a small two-barrel-a-day experimental well came in near the site of the TV well.

The celebration is only a moment of fleeting glory for the present generation of Titusville. The heart of the oil industry long ago shifted to the western part of the country and to foreign lands

such as Venezuela, Romania and the Middle East.

Notables To Speak
But Titusville hopes in the future, when Col. Drake's well is recalled, the industry's 100th birthday celebration also will be remembered.

Postmaster General Arthur Summerfield and Pennsylvania's Gov. Lawrence both are committed to several speaking engagements. And messages from governors of 33 oil producing states will be read.

All of the messages were transmitted through an oil pipeline running through the various states. Gov. Lawrence also will seal a time capsule near Drake's well.

Numerous luncheons and dinners are planned and a huge banquet for hundreds of visiting oil and political dignitaries—topped off with a fireworks display—will conclude Thursday's activities.

New Stamp, Big Parade
A special commemorative stamp also will be issued to help

celebrate the centennial. Exhibitions, concerts and many other programs of fun and interest will continue until the big party comes to end Saturday.

A mammoth parade and a glittering ball will ring down the curtain Saturday.

Many times the money that Col. Drake sunk into the first well will be spent in the celebration. Once more — just for a week Titusville is in the lime light of the oil industry.

CAP Plane Crash Injures 4 Sunday

SCRANTON, Pa. (AP)—A Civil Air Patrol plane crashed Sunday at the Scranton Municipal Airport, seriously injuring the pilot and three cadets.

A CAP spokesman said the light plane was making a routine landing approach when it plunged to the ground.

The four were returning from a weekend exercise testing the effec-

tiveness of the CAP in case of a national emergency.

The injured, all from Scranton, were Al Sochovka, 44, the pilot, and three teen-age girls: Arlene Fitterer, 18; Sally Pendrak, 15, and Patricia Garasevitch, 16. They suffered fractured bones, cuts and shock.

REPORTS MORE
MADISON, Wis. (AP) — Motorists killed more deer in Wisconsin last year than were killed by bow and arrow hunters, the State ports.
Cars struck and killed 3,172 deer in 1958 — a new high. Archers bagged 1,879.

IT'S THE "Something More" THAT

MAKES BLUE CROSS BETTER!

Benefits Cover Many "Special" Services

Occasionally a hospital patient complains that he could have purchased fine hotel accommodations for less than Blue Cross paid for his room and board. Hospitals have beds, so do hotels, but here the comparison ends. It is the scope of professional services rendered that makes the difference. Imagine what hotel-room service would cost if any hotel tried to provide it.

Special diets, administration of medicines, bathing, etc. are only part of the around the clock care provided with room and board service. Hotels employ considerably less employees per guest than a hospital employs per patient. They average about 1/2 employee per guest, as compared with two hospital employees per patient.

Just as there is no true comparison between hospital and hotel costs, there is also no comparison between Blue Cross "service" benefits and the fixed dollar allowances offered by other hospitalization programs.

18 KILLED IN PA. ACCIDENTS OVER WEEKEND

By THE ASSOCIATED PRESS
Traffic deaths shoved Pennsylvania's weekend accident toll to 18.

At least 11 persons died in traffic accidents, one drowned, two perished in fires and four others were killed in miscellaneous accidents.

The only double fatality occurred early Sunday near Philadelphia, Kenneth Reese, 25, of Karthaus, and George Moore, 48, of Grassflat, were fighting on a highway during a rainstorm. A passing auto struck and killed them both.

Two Children Killed

Two children were among the dead, Frank Kozak, 11, of Library,

was killed by lightning as he played on a hillside near his home Sunday during a violent electrical storm. Four-year-old David Kennedy of Philadelphia choked to death Saturday on an object in his throat, believed to be a marble.

Other accidents included:
SLIPPERY ROCK — Mrs. Margaret Finney, 56, of Glenshaw R. 1, killed Saturday night in a three-car collision near Slippery Rock.

CURWENSVILLE — J. D. Evans, 57, of Mahaffey, fatally injured on Saturday in a three-car pileup near Curwensville.

PRIEST FINDS RUSSIAN TV CLASS POPULAR

By DAVID ZINNMAN
NEW ORLEANS (AP) — If Premier Nikita Khrushchev drops into New Orleans during his tour of the United States next month, he may be surprised to find himself greeted by a chorus of "Dobry dwens."

That's "Good day" in Russian, as several thousand would-be linguists have learned from a television-teaching Jesuit priest.

The Rev. Clement J. McNaspy, an Oxford scholar, classical linguist and currently music dean of Loyola University of the South, began the South's first Russian TV course a few weeks ago.

Adding Language

Judging by his weekly mail and daily telephone calls, Father McNaspy is on the verge of adding another language to this already multilingual city.

"I'm teaching 'Good day' in place of 'Hello,'" he explains, "because 'Hello' is one of the most difficult words in Russian. It's 'Zdravuyte.' Try that for size."

The bespectacled, dark-haired priest finds no conflict between Catholicism and teaching the tongue of the world's greatest Communist power.

"I'm teaching Russian, not communism. Russian is not the language of communism. It was created by a saint, St. Cyril, and it has produced a great literature."

"In Russia almost every educated person reads English. They have available all our researches first hand. It's just as important that we understand what they're doing."

"I read the Russian paper Pravda—which means 'truth'—every day."

BRAWLING MAN KILLED ON ROAD

PHILIPSBURG, Pa. (AP)—Two Clearfield County men were struck while brawling on a highway during a rainstorm about 1½ miles from Karthaus, just over the Centre County line.

Killed were George Moore, 48, of Grassflat, and Kenneth Reese, 25, of Karthaus.

State police said an auto driven by Mrs. Clair McGovern of Karthaus struck the men while they were rolling on the highway. Mrs. McGovern told police she tried to stop the car, but didn't see the men in time.

Police said the pair were riding in Moore's auto when they apparently got into an argument. Both Moore and Reese then got out of the car and started fighting in the rain, according to police.

The Federal Aviation Agency predicts that United States airlines will carry 118 million passengers by 1970 compared with 45 million in 1958.

near Renovo.

ALTOONA — Lester F. Rudasill, 25, perished in a fire Sunday in his home in Altoona.

DELANO — Michael Maschock, 70, of Delano, died in a fire that destroyed his home Sunday.

KITTANNING — James Drass, 18, of Hastings R. 1, reported missing and feared drowned Sunday after a companion said he fell from a motorboat in the Allegheny River near Lock No. 6.

NEW BRITAIN, Pa. (AP)—Fire destroyed a supply yard and disrupted railroad passenger service Sunday in this Bucks County community.
